(CLOUT)

UNCITRAL index of the United Nations Convention on Contracts for the International Sale of Goods

1. This document contains the updated consolidated index to the Sales Convention and covers all CISG cases having appeared in documents A/CN.9/SER.C/ABSTRACTS/1 to 12. It supersedes document A/CN.9/SER.C/Index/2, dated 19 September 1995, which covered CISG cases set out in documents A/CN.9/SER.C/ABSTRACTS/1 to 7. The index is based on the thesaurus (document A/CN.9/SER.C/INDEX/1) and lists cases under the pertinent provision of the Sales Convention and the sub-issue with which each particular case deals.

2. Court decisions are listed alphabetically by country with an indication of the year of the decision and the CLOUT number of the case. Arbitral awards are identified as such and are listed by year of issue with an indication of the case number. Further consolidated indices will be published periodically as subsequent revisions to this document.

3. Under each sub-issue listed below, bold entries signify new cases contained in documents A/CN.9/SER.C/ABSTRACTS/8 to 12.

4. It should be noted that all CLOUT documents are available on the website of the UNCITRAL secretariat on the Internet (http://www.un.or.at/uncitral).
